Gin Dance Company – Joining Reston Community Center CenterStage’s 2015/16 Professional Touring Artist Series

Reston, VA (September 22, 2015) - Northern Virginia based Gin Dance Company (GDC) will be featured in the Reston Community Center Hunters Woods Center-Stage's 2015/16 Professional Touring Artist Series/Season with a full evening production on October 21, 2015 at 8:00 p.m. During the series, Reston CenterStage brings together many outstanding performing groups in various disciplines including theatre, dance, and music between September 13, 2015 and May 21, 2016. “We are thrilled to be participating this season” says GDC Executive Director, Gary Cuff. GDC will debut their production of “*Chasing Horizons*” featuring the world premiere of the Company’s newest works including ‘*Lost and Found*’ which delves into basic human instincts to continually chase dreams and desires, often overlooking or at the expense of what we already have. GDC will collaborate with two local visual arts artists, Teri Anne LaBuwi and CinCin Fang whose works are integrated into the production. Artistic Director, Shu-Chen Cuff stated, “I’m very excited about this production and to be able incorporate works by Teri Anne and CinCin, they are incredibly talented artists. Adding their work on stage with the dancers will deepen and enrich the experience for the audience. I hope everyone comes out to see how these two different art forms come together and watch the story unfold”. Tickets for this event can be purchased through the CenterStage box office at www.restoncommunitycenter.com or at www.gindance.org.
